FACTORY & RESOURCES

The new packing factory was opened in September 2015 in Ozurgeti, Guria.

Gurieli tea is produced in our own production units equipped with:

- State-of-the art machinery from Il Global (India) for the primary production of both black and green teas
- Blending and flavoring facilities
- Packing machinery from:
 - IMA S.p.A, (Italy)
 - Marden Edwards (Great Britain)
 - Fuso (Japan)

GURIELI FROM THE COUNTRY OF

Rustaveli

The collector's edition "Gurieli from Rustaveli's Country" consists of nine species of tea. There are three new varieties: Chamomile, Snow Rose and Meskhetian Nettle, created by experienced experts of "Gurieli", added to the familiar traditional black and traditional green tea, earl grey, jasmine blossom, alpine berries and wild mint. The Georgian and English versions of the collector's edition were presented on February 23, 2019.

Each variety of Georgian version of tea is packed with works of such famous painters as: Petre Otskheli, Mikhail Zichi, Giorgi Eristavi, Mikheil Chikovani, Gregory Gagarin, Boris Yohansen, Mikheil Chiaureli. As well as the fresco of Shota Rustaveli from Jvari Jerusalem monastery.
